

# LiveText FEM

- How to add Service Learning Hours

The screenshot displays the LiveText FEM user interface. At the top, a dark red header contains the 'LIVETEXT' logo on the left and user information on the right: 'Welcome, LLUSD Student (Intern)', 'Logout', 'My Account', and 'Help'. Below the header is a dark grey navigation bar with 'Dashboard' and 'Field Experience' tabs. The 'Field Experience' section is active, showing a sub-header 'Field Experience' and two tabs: 'Placements' and 'Profile'. The 'New Requests' button is highlighted with a blue circle. Below this are sections for 'Pending Requests' and 'Active Placements'. The 'Pending Requests' section shows details for a request: Course: LT 102-2, Internship: LLU SD Demo, Date Submitted: 07/29/2015, and an 'Edit Request' link. The 'Active Placements' section has two dropdown menus (one set to 'Active' and one to 'All Training') and a 'Search' button. A yellow message box at the bottom states 'No Placements Found.' with a close button.
