

## LLUSD Student BYOD Policy 2020-2021

### What is BYOD?

Bring Your Own Device (BYOD) allows students to bring their personal laptops from home and use them for education applications, lectures and labs.

### What Do I Need for BYOD?

You will need a device that meets the requirements listed below in order to comply with computer guidelines. It is recommended that the device operating system is kept up-to-date to help with usability and security.

#### Specific Device Requirements

Device	Apple Laptop	Windows Laptop, 2-in-1 or Microsoft Surface Pro
Operating System	MacOS High Sierra (10.13.6 or Newer)	64-bit Windows 10 (Home, Pro or Enterprise) *
Processor	Intel Core i5 or Greater	Intel Core i5 or Greater
RAM	8GB or Greater	8GB or Greater
SSD or Hard Drive	256GB or Greater	256GB or Greater
Wifi Standard	2.4GHz 802.11g or Newer (Devices released in 2003 and newer will have this)	2.4GHz 802.11g or Newer (Devices released in 2003 and newer will have this)
Battery Runtime	6 Hours or Greater (Recommended)	6 Hours or Greater (Recommended)
Device Examples	MacBook, MacBook Air & MacBook Pro that meet the specifications above.	Devices from HP, Dell, Lenovo & other manufacturers that meet the specifications above.
Antivirus Software	Students are responsible to provide their own antivirus. Examples include Avast, AVG, etc.	Students are responsible to provide their own antivirus. Windows Defender is integrated in Windows 10 by default.

**\* Please note that Windows 10 RT and Windows 10 S do not meet the minimum specifications.**

## MacOS Laptop Purchases

The iLLU Tech store is an on-campus resource for students interested in purchasing a new Mac. Please visit [illutechstore.com](http://illutechstore.com) for education prices, contact details and other information. iLLU Tech is located in the Campus Store at [11161 Anderson St. Suite 110 Loma Linda, CA 92354](http://11161 Anderson St. Suite 110 Loma Linda, CA 92354).

## Non-Supported Devices

- Tablets (iPad, Android)
- Smartphones (iPhone, Android)
- eReaders (Kindle, Nook, etc.)

These devices do not meet the established requirements for the software and testing needs of your educational program.

## Support

We strongly recommend for students to purchase an extended warranty at the time of device purchase. ***The IT staff does not perform hardware repairs on student owned laptops. Please refer to the device manufacturer for warranty and repair services.*** Students can bring their device to the LLUSD Information Technology Department (IT) for initial diagnosis in the event of malfunction. If the problem can be fixed, the IT staff implements a “Best Effort” policy to do so. Best effort means that IT staff will attempt to solve any laptop or software problem ***as it relates to the student’s ability to conduct necessary studies and education related activities.*** However, we cannot always guarantee a solution for device issues or a timeline for resolution. Rest assured, your success is of utmost importance to us. When we say “Best Effort”, we mean it!

As with textbooks, notebooks and other required tools for learning, the student owns and is ultimately responsible for the upkeep and usefulness of the device.
