Continuing Dental Education requirement for non-California license holders*

*Dentists and allied dental professionals that hold a non-California license (another state or country) must submit documents that demonstrate compliance with the current license renewal requirements for a California license, as identified in the Title 16 California Code of Regulations Sections 1016 and 1017:

- The minimum requirement for each two-year renewal period after the first renewal is 50 hours of continuing education, including:
 - Basic Life Support
 - 2 hours of California Infection Control
 - 2 hours of California Dental Practice Act

Any patient treated at any hands-on program will become a patient-of-record at Loma Linda University School of Dentistry.
